The TESL non-licensure program prepares students to teach English as a second language in situations where licensure is not required, such as in Peace Corps schools abroad.

The TESL licensure minor prepares students to teach English as a second language (ESL) in grades K-12. As a free-standing licensure program, it is the fully recognized standard for teaching ESL in Minnesota and need not be upgraded to a major at any time.

ESL licensure is also attainable through courses at the graduate level which fulfill program requirements. Further information is available from the department.
