The Department of Art program is devoted to the development of concepts, attitudes and skills in the visual arts within a broad university curriculum of liberal arts orientation. There are four objectives: professional training of artists and scholars in chosen areas of specialization, preparation of art educators, elective study for students in all areas of the university, and service to the local communities as a source of cultural enrichment. The Department of Art is accredited by the National Association of Schools of Art and Design.

Admission to Major is granted by the department. Minimum University admission requirements are:

- a minimum of 32 earned semester credit hours;
- a minimum cumulative GPA of 2.00 (C).

In addition to minimum University admission requirements, students requesting admission to the art and art education majors must complete the following:

- the Drawing/Design sequence (9 credits)
- at least 3 courses in 3 areas of the Studio Elective Sequence
- ART 260 or ART 261

In addition to minimum University admission requirements students requesting admission to the art history major must complete the following:

- ART 101 (3) (preferred) or ART 100 (3)
- At least one course within the Studio Electives
- ART 260 or ART 261

Students for all majors may be admitted provisionally while these requirements are being satisfied.

Contact the department for application procedures.

ART BA

The Bachelor of Arts degree in art is a broad-based liberal arts degree that provides a cultural perspective with a strong foundation in studio training.

Required for Major (Core, 33 credits):

- ART 101 Design Foundations (3)
- ART 103 Three Dimensional Design (3)
- ART 110 Drawing Foundations (3)
- ART 260 Art History Survey I (3)
- ART 261 Art History Survey II (3)

Choose 6 courses from at least 5 different areas:

AREA 1:

- ART 202 Introduction to Digital Media (3)
- ART 204 Digital Imaging (3)
- ART 220 Graphic Design I (3)

POLICIES/INFORMATION

A program planning guide for each major is available in the Department of Art office. Students should obtain one to aid in the planning of their program. Advisory services are available.

Drawing and design courses in the art core should be taken during the freshman year.

P/N Grading Policy. A student majoring in art may take a maximum of one-fourth of the art credits for P/N grades and must comply with the college P/N requirements.

GPA Policy. A 2.0 GPA is required. For admission to and graduation from the BFA program students must have a minimum GPA of 2.5. Students on academic probation should refer to the College of Arts and Humanities policy regarding required advising.

Studio courses require two scheduled hours of class meeting time under the direct guidance of the instructor and a minimum of one additional hour of work at the discretion of the student for each credit hour earned.

The frequency of course offerings should be verified with your art advisor or the art department office, since some changes caused by unanticipated circumstances may occur.

Art majors and minors must meet with the Art Department chairperson two semesters prior to their anticipated graduation date so that their graduation credits can be evaluated.

All students should check with the central art office concerning the future availability of courses needed for graduation. ART 421 Art Methods Elementary School, should be taken no sooner than the junior year and is required by state licensure before student teaching. The prerequisite for ART 421 is ART 100.

The total number of transfer credits accepted for each major/minor is as follows: BFA 24, BS 18, BA 15, and Minor 6.

The Department of Art may request the retention of student work for its permanent instructional and exhibition collection. It reserves the right to photograph students and their work. In addition, the department cannot insure student work, material and equipment or take responsibility for its loss or damage.

Art students with junior or senior standing are encouraged to seek internship opportunities in career-related settings that may include museums, production studios, design firms, and other approved venues. Arrangements are made on an individualized basis. A maximum of 6 credits may be applied toward specializations within BA, BS, or BFA degree programs.

Notations showing the costs of individual courses are included in the schedule of classes. In some cases, student fees are charged for materials used. Verifying such information with the individual instructor is suggested.

COURSE DESCRIPTIONS

ART 100 (3) Elements and Principles of Art

2-D visual problem solving and art-making strategies using the elements and principles of design. For elementary education majors and general education.
 F, S
 GE-6

ART 101 (3) Design Foundations

For art, art history and art education majors.
 F, S

ART 103 (3) Three-Dimensional Design

An introduction to concepts and processes related to the visual and physical organization of three-dimensional form and space.
 F, S

ART 110 (3) Drawing Foundations

Introduction to traditional drawing techniques and concepts.
 F, S

ART 160 (3) Introduction to Visual Culture

Introduction to Western and non-Western visual arts and the variety of methods by which art is understood. These may include art appreciation, art criticism, the history of art, popular culture, and aesthetic awareness.

ART 202 (3) Introduction to Digital Media

This course is an introduction to the Macintosh and the various ways in which it is used as a creative tool. Primary goals are to learn basic design concepting, typography, and print production, along with other fundamental digital skills to initiate the creative process utilizing the computer and various digital media.

ART 204 (3) Digital Imaging

This course is a further exploration in to the meaning and power of imagery developed on the computer. It covers creation and manipulation of various image forms with current computer software. Students should have some Macintosh experience. This course will present image and vector manipulation, software for painting, collage, photo manipulation, and layering.

ART 210 (3) Drawing

Continued exploration of drawing techniques and concepts.

Pre: ART 110 F, S

ART 212 (3) Life Drawing

Experience in drawing from the human figure.

Pre: ART 110 F, S

ART 220 (3) Graphic Design I

An exploration into the creative process behind communication design. The focus is on visual thinking, exploring the relationship between word and image, and the problem solving process. Varied methods of investigation aid in the understanding of the role and value of the design process in visual communication.

Pre: ART 100, 101 and 110 F, S

ART 230 (3) Fibers

Experience with various introductory fiber techniques.

Pre: ART 100, 101, or consent F, S

ART 231 (3) Multi-Media Art Exploration

Multimedia art exploration is a problem solving art studio experience involving the use of a variety of traditional and non-traditional art materials.

F, S

GE-6

ART 240 (3) Painting

Beginning experience with oil and/or acrylic paint. Emphasis upon technical and conceptual development.

Pre: ART 100, 101, 110 or consent F, S

ART 245 (3) Watercolor

Introduction to basic techniques in watercolor.

Pre: ART 100, 101, 110 or consent F, S

ART 250 (3) Ceramics: Wheel and Hand

An introduction to basic wheel throwing techniques exploring the potential of clay as a creative and expressive material.

Pre: ART 100, 101, 103 or consent F, S

ART 251 (3) Ceramics: Sculpture

An introduction to basic sculptural hand building techniques exploring the nature of clay as a creative-expressive medium.

Pre: ART 100, 101, 103 or consent F, S

ART 260 (3) Art History Survey I

Introduction to art history from prehistoric and ancient cultures through the Middle Ages. Includes representative examples and styles of art and architecture of Western (Europe and the Near East) and non-Western cultures (China, India, Japan, South-east Asia, Africa, Mesoamerica, South America, North America, Australia).

ART 261 (3) Art History Survey II

Lecture-based survey of the Art and Architecture of both Western and non-Western countries from the thirteenth through twentieth centuries.

S

GE-6, 8CD-Related

ART 270 (3) Printmaking: Relief/Screen

Introduction to relief and silkscreen printmaking processes.

Pre: ART 101, 110 or consent F

ART 271 (3) Printmaking: Lithograph/Intaglios

Introduction to intaglio and lithographic printmaking processes.

Pre: ART 101, 110 or consent S

ART 275 (3) Photography

Introduction to the techniques and expressive potential of B/W photography.

F, S

GE-6

ART 280 (3) Sculpture

Exploration of the visual and physical organization of three-dimensional form and space through problems employing various media and processes.

Pre: ART 103 or consent F, S

ART 300 (3) Graphic Design: Form

ART 302 (3) Interactive Design Survey

This course is an exploration of technical, format, and conceptual components of interactivity in Web and Flash design. Course covers the use of html, information architecture, navigation, preparation of test and graphics for the Web, production, usability, motion, sound and user interaction.

ART 303 (3) Illustration

Techniques, skills and concepts to create visual images that clarify or elaborate on text.

Pre: ART 300 Variable

ART 304 (3) Typography I

First in a sequence of two typography courses; assumes basic knowledge of typography from Art 201 course. Typography I examines both the micro (specific characteristics of major typefaces in use today) and macro (overall typographic formats) design problems. A brief history of typographic development and technologies, with an emphasis on current technology. Class projects are both applied and theoretical. A research paper is required.

Pre: Art 200, 201 and 204

ART 320 (3) Graphic Design II

This course is an advanced exploration of conceptualization and development of type-and-image messages. Students refine their problem solving capabilities based on the design process, as well as synthesis and refinement of the construction of the visual message.

ART 330 (3) Fibers

Fabrication of textiles using four or multi-harness floor looms and off-loom techniques. Must be taken two times before advancing to 430.

Pre: ART 230 or consent F, S

ART 340 (3) Painting

Intermediate painting. Emphasizing individual creative development. Must be taken twice before advancing to 440.

Pre: ART 240 or consent F, S

ART 345 (3) Watercolor

Experience in advanced watercolor techniques and concepts. Must be taken twice before advancing to 445.

Pre: ART 245 or consent F, S

ART 350 (3) Ceramics

An intermediate course emphasizing personal exploration and creative research relating to hand building, molding processes and/or the potters wheel. Must be taken twice before advancing to 450.

Pre: ART 250 or 251 F, S

ART 370 (3) Printmaking

Continued exploration of intaglio, lithographic, relief and silkscreen processes. Must be taken twice before advancing to 470.

Pre: ART 270 or 271 F, S

ART 375 (3) Black and White Photography

Intermediate level material on camera work, processing, and calibration. In rotation with ART 376, ART 377.

Pre: ART 275 Variable

ART 376 (3) Color Photography

Processing, color theory, color correction, and other considerations in color photography. In rotation with ART 375, ART 377.

Pre: ART 275 Variable

ART 377 (3) Digital Photography

Covers the making, manipulation and use of electronically produced photographic images. Topics include Kodak Photo CD, digital camera use, electronic photo retouching, computer image enhancement and combination, and incorporation of traditional techniques for creative solutions of fine and commercial art problems. In rotation with ART 375, ART 376.

Pre: ART 275 Variable

ART 380 (3) Sculpture

Investigation of three-dimensional form, space and media in search of a personal aesthetic statement. Must be taken twice before advancing to 480.

Pre: ART 280 F, S

ART 391 (1) Portfolio Review

Required of all B.F.A. majors before taking 4XX advanced studio specialization sequence to continue in program.

F, S

ART 400 (3-9) Graphic Design Special Topics

This seminar will address different specialties within the practice of graphic and interactive design. Individual research and group contributions to the seminar group on advanced, in-depth topics are required.

ART 402 (3-6) Motion Graphics

This course is an advanced study of motion, sound, and interactivity in design. The study and exploration of digital narrative and non-linear storytelling are key components. Students build on existing skills in Macromedia Flash® to create conceptually and technically advanced works of digital communication.

ART 403 (3) Illustration

Expansion of individual techniques, skills and concepts to create visual images that clarify or elaborate on text. May be repeated.

Pre: ART 303 Variable

ART 404 (3) Typography II

An advanced course requiring solid typographic study and design background, with emphasis on producing graphic solutions using a combination of display and text type as primary design elements. Fundamentals of hierarchy, typographic composition and contrast for the basis of class projects. Special emphasis will be placed on the conceptual/descriptive properties of typography and typography as an important element of visual communication.

Pre: ART 301 and 304

ART 406 (3) Web Design

This course is an advanced study focusing on the Web, new media and design problem solving that is unique to the Web. Students continue to develop technical skills while investigating the potential for visual communication using the Web.

ART 410 (3-9) Drawing Workshop

Continued in-depth exploration of drawing techniques and concepts. May be repeated.

Pre: ART 210, 212 F, S

ART 412 (3) Life Drawing

Advanced experience in drawing from the human figure. May be repeated.

Pre: ART 212 F, S
