Chair: Peg Ballard

Ronald Browne, Terry Fogg, Linda Good, Marla Mastin, Karl Matz, Mary Ellen Pearson, Maureen Prenn, Steven Reuter, Marsha Traynor

The Department of Educational Studies: Elementary and Early Childhood has a major responsibility to provide professional education for early childhood and elementary teachers. The general goals of this program are to develop the dispositions, knowledge, and skills of candidates for licensure; to make available pre-professional clinical experiences in order to introduce students to the total school context; to provide the direct experience of classroom teaching under supervision; and to develop understanding of curriculum design in its theory and process of formulation. Emphasis shall be on the acquiring of knowledge, professional skills and learning environment awareness.

Advising. The College of Education serves Elementary Education students through developmentally appropriate levels of advising. Several small group advising sessions by level are offered each semester. Sessions are posted and announced in the Reporter, the Department Office, and Advising Office (117 Armstrong Hall).

Level 100/First Year Students: All students are assigned to the Student Relations Coordinator (SRC) during their first year. The SRC initially conducts the orientation programs and approves the first semester schedule. Students during their first year then also have an identifiable location for immediate advising assistance (COE Academic Advising Office, directed by the SRC). Small group advising sessions will be conducted mid-semester for registration assistance. Sessions focus on program expectations, general education, and admission to major.

Level 200/Second Year Students: Sessions will be part of the EEC 200 and EEC 222W courses. Students are admitted to the major and assigned a Level 200 advisor in their program. Sessions focus on program expectations, prerequisite completion, second year service learning, diversity of clinical experiences and professional education admission.

Level 300/Plan of Study: Sessions will be part of the EEC 333 and Block I. Sessions focus on program expectations, sequential program blocking and specialty area licensure options.

Level 400/Program Completion: Sessions will be part of Block II. Students are eligible for level 400 sessions when a plan of study is complete and application for student teaching and graduation have been made. Sessions focus on program completion, application for graduation deficiencies and licensure application.

Transfer Student Advising. Formal evaluation of prior academic preparation follows transfer orientation. The Department Chairperson of Educational Studies: Elementary and Early Childhood formally approves the coursework based on course descriptions and syllabi, samples of completed work, and/or field experience evaluations.

All Elementary Education students must be admitted in the following sequence:

Admission to the Major.

Admission to Professional Education

Admission to Elementary Education Blocks

Admission to Student Teaching

Admission to the Major

Coordinator for Admission to Major: Cheryl Kalakian (117 Armstrong Hall).

All students must submit an unofficial Minnesota State Mankato transcript. Transfer students should submit a copy of their transfer credit evaluation form, which is available from the Campus Access HUB. Elementary Education students must complete the following requirements to be admitted to the Major:

1. Completion of 32 credits.
2. Grade point average (GPA) of 2.5 cumulative.
3. A or B in English 101.

4. A or B in Speech 100 or Speech 102.

Students who are not admitted may appeal.

Admission to Professional Education

Coordinator for Admission to Professional Education: Cheryl Kalakian (117 Armstrong Hall).

All students working toward a teaching degree in the Elementary Education major must be admitted to Professional Education prior to enrollment in upper division coursework in professional education. Application to Professional Education should be made when the following requirements have been met:

1. Completion of 40 credits.
2. Cumulative GPA of 2.75.
3. Completion of English 101.
4. Completion of Math 201.
5. Evidence of completion of the Pre-professional Skills Test (PPST) - Praxis I.
6. Completion of a General Education Intensive Writing (General Education Category 1 C) course with an A or B.
7. Completion of: EEC 200 and EEC 222W.

A multifaceted professional education process exists. Students are required to attend a Professional Education Writing Assessment Lab. Please consult the Office of Academic Advising (117 Armstrong Hall) for application and deadlines.

Students who are not admitted may appeal.

Admission is competitive. Achievement at the 2.75 level and completion of all prerequisite credits qualifies students for the application pool but does not guarantee admission to the Elementary Education Blocks.

Admission to Elementary Education Block I

Coordinator for Admission to Elementary Education Block I:

Peg Ballard, 328 Armstrong Hall.

All students working toward a teaching degree in the Elementary Education Major must be admitted to Block I: Literacy Block. Application to Block I should be made when the following minimum requirements have been met:

1. Grade Point Average (GPA) of 2.75.
2. Completion of all General Education requirements.
3. Completion of all specialty area requirements.

A handout (Elementary Education: Licensure Plan of Study) listing General Education courses, the Professional Core Support courses, and the Specialty Areas is available in 117 Armstrong Hall.

Application deadlines are 30 days prior to upcoming registration. The Department's Admissions Committee will meet soon after the deadlines to determine admission for students.

Registration plan should not include course work outside the block without prior approval.

Students who are not admitted may appeal.

The Elementary and Early Childhood program reserves the right to consider for admission students who have the potential to be excellent teachers and who have met some but not all the admission requirements.

Admission to Elementary Education Block II - Inquiry. All students working towards the teaching degree in the Elementary Education Major must be admitted to Block II - Inquiry. Application to Block II should be made when the following minimum requirements have been met:

1. Grade Point Average (GPA) of 2.75.
2. Completion of all General Education requirements.
3. Completion of all specialty area requirements.
4. Successful completion of Block I.
5. Registration plan does not include courses outside the block without prior approval.

Admission to Student Teaching (119 Armstrong Hall) Director of Clinical and Field Experiences: Kitty Foord

Student teaching at Minnesota State Mankato is a result-oriented, performance-based, 16-week program, requiring the demonstration of an acceptable level of teaching performance in the areas of planning and preparation,

enhancing the learning environment, teaching for student learning, and professionalism. Multiple methods of assessment are used and evidence is collected to provide a view of the student teacher's skills and dispositions. These methods include direct observations of teaching activities by public school and University faculty, the use of videotaped lessons and activities for self-assessment, use of logs, participation in on-line activities, and participation in activities reflective of the professional responsibilities of teachers (e.g., parent conferences). The Director of Clinical and Field Experience requests placements for all student teachers in partner districts. Students teachers should not contact schools regarding their placement. Admission to the student teaching experience is contingent upon completion of a minimum of 95 semester credits, a cumulative grade point average of 2.75, grades of "C" or better for all program requirements, admittance to teacher/professional education, completion of all methods and professional education course work, completion and validation of formal application materials one semester prior to student teaching semester (obtain specific dates from 119 Armstrong Hall), attendance at all preliminary student teaching meeting(s), submission of scores on the PRAXIS I (Reading/Writing/Math) test, recommendation of advisor. Also, approval of placement by school district administration, cooperating teacher and Director of Clinical and Field Experience, and completion of Minnesota State Police background check materials. Application materials are available in 119 Armstrong Hall.

Teacher Licensure Coordinator: Gail Orcutt (118 Armstrong Hall) The University recommends licensure to a state upon satisfactory completion of a licensure program. However, licensure does not occur automatically through graduation and the awarding of a diploma. Students need to make application for a Minnesota teaching license at the close of the term in which they graduate. The College of Education, 118 Armstrong Hall, coordinates the licensure process. In addition to meeting all program requirements, the (PPST) examination of skills in reading, writing, and mathematics needs to be successfully completed, as well as the Praxis II Pedagogy and Content examinations. Minnesota State Law requires that all candidates applying for initial licensure in this state be fingerprinted for national background checks. A conduct review statement will also need to be completed and signed. There is a \$31 fee for the criminal background check. The fee for the issuance of a State of Minnesota teaching license is \$57.

ELEMENTARY EDUCATION BS, TEACHING

CLINICAL EXPERIENCES

A major component of professional education coursework involves clinical experiences in area schools. These experiences are sequential in development, time commitment, and skills practice. Clinical experiences are required for EEC 220 and 222. During blocks students have 3 weeks of clinicals all day, Monday through Friday. Multiple methods of assessment are used to document competencies. These methods include direct observations of teaching activities by public school and University faculty, the use of videotaped lessons and activities for self-assessment, use of logs, participation in on-line activities, and participation in activities reflective of the professional responsibilities of teachers. The successful completion of each clinical experience is necessary for progression in the program. All clinical placements are initiated by the Office of Clinical and Field Experience.

Background Checks

Students involved in any clinical experience need to undergo a background check (once per academic year) to assess misdemeanor and felony conviction records maintained at the Minnesota Bureau of Criminal Apprehension. There is a \$15 fee for this service. This information is provided to districts for their determination of suitability. The Office of Clinical and Field Experience coordinates the background check process.

317	Modern France 1-3 credits

Required Methods (4 credits):

MODL 462	FLES Methods (3)
MODL 463	Applied FLES Methods (1)

offered on Minnesota State Mankato campus only.

Required Cultural Experience:

Students must demonstrate that they have had firsthand experience with the culture(s) represented by the French language. The La Rochelle program provides students with this firsthand experience. When study-abroad is not possible for students, Elementary Education students will need to conduct

their practicum in a school setting and interact with a community that has a significant number of French speakers.

Students who complete the "Specialization" meet the MN BOT requirements for World Language Teachers in French at the K-8 level.

Modern Language: German (15 credits):

Prerequisites:

- 1) German 101, 102, 201, 202 or equivalent. Students may demonstrate their language proficiency level through coursework or through credit by examination. Credit by exam for 101, 102, 201, 202 can be arranged with Birgitta Hendrickson, a faculty member in the German program.
- 2) Students must demonstrate a level of Intermediate-Mid on the Proficiency Interview before they will be admitted to MODL 462 and 463. Contact the Department of Modern Languages for details at 507-389-2116 or Birgitta Hendrickson at 389-2917.

Required Language Courses: (11-12 credits)

Language credit may be completed on Minnesota State Mankato campus or may be transferred from a study abroad experience with prior approval by the German program. The following courses are offered on the Minnesota State Mankato campus.

GER 340 Topics in Language (1-4 credits)

GER 341 Composition and Conversation (4 credits)

GER 343 German Civilization (1-4 credits) or study abroad 300-level or above

Required Methods (4 credits):

The Mexico program provides students with this firsthand experience. When study-abroad is not possible for the student, Elementary and Early Childhood students will need to conduct their practicum in a school setting and interact with a community that has a significant number of heritage Spanish

speakers.

Students who complete the "Specialization" meet the MN BOT requirements for World Language Teachers in Spanish at the K-8 level.

POLICIES/INFORMATION

GPA Policy. All coursework listed in the Elementary Education degree requires a cumulative career GPA of 2.75 and a grade of "C" or better. Students must achieve at least a 2.75 GPA in professional education courses and be admitted to Professional Education.

Admission to major and Professional Education is granted by the academic department.

COURSE DESCRIPTIONS

ELEMENTARY AND EARLY CHILDHOOD

EEC 092 (2) Reading Strategies

This course is designed to assist students in the development of specific reading strategies necessary for success with the literacy demands of the university classroom and beyond.

F, S

EEC 200 (3) Early Clinical Experience: Elementary School

A first course for elementary education majors. Experience in elementary classrooms, understanding children as learners, levels of instruction, general methods, and the teaching role.

F, S

EEC 201 (2) Introduction to Early Childhood Education

A first course for early childhood majors. Experience in pre-Kindergarten classrooms, understanding young learners, levels of instruction and the teaching role.

F

EEC 203 (1) Introduction to Early Childhood Education - Lab

Lab experiences in preschool settings.

Coreq: EEC 201 F

EEC 205 (3) Service Learning: Society and the Environment

GE-10

EEC 210 (1-4) Seminar

An early course for elementary education majors. Exploration of the career field, introduction to the role of standards in education, overview of general methodology for the elementary classroom.

Variable

EEC 220 (1-4) Field Study

This experience is designed jointly between student, advisor and a classroom teacher for the student to gain insight into the workings of the elementary classroom.

Variable

EEC 222W (3) Human Relations in a Multicultural Society

Study of interpersonal skills, motivation and group skills. Applied to educational settings. Meets State of Minnesota human relations requirement for teacher licensure.

GE-1C, 7, 11 CD-Core

EEC 225 (2) Technology Applications in Education

Provides the necessary knowledge base and instructional applications for using technology in the classroom.

EEC 230 (1-4) Individual Study

An experience/project designed by the student and advisor to provide for further study of a topic or component within the realm of elementary education. Could be exploratory in nature.

Variable

EEC 235 (1-4) Independent Study

Student directed learning; project jointly determined between student and advisor.

Variable

EEC 240 (1-4) Research

An opportunity to truly research an area within elementary education to provide a more in depth understanding.

Variable

EEC 245 (3) Early Childhood Health Safety and Nutrition

Health, safety, and nutritional needs of young children (birth - age 8) as well as educators' ethical and legal responsibilities related to child abuse. Includes CPR training. S

EEC 250 (1-4) Internship

An opportunity to work in an elementary classroom under the direction of the classroom teacher.

Variable

EEC 300 (1-4) Seminar: Children's Literature

Introduction to children's literature, both current and classic works. Exploration of authors, genres, and illustrations. Selection, evaluation, and use with K-6 children.

Variable

EEC 301 (1-2) September School Experience

EEC 302 (1) Extended School Experience

EEC 303 (1) Classroom Methods

EEC 310 (1-4) Individual Studies: Health for Elementary Teachers

The course is designed to prepare the elementary classroom teacher with methods and materials for teaching health.

Variable

EEC 315 (1-4) Individual Study: Drug/Alcohol Education

This is a course jointly designed by the student and advisor to address the State of Minnesota requirements concerning drug/alcohol education for licensure.

Variable

EEC 316 (1-4) Field Study: Math for Elementary Students

The purpose of this course is to prepare elementary level mathematics teachers to use appropriate content, materials, and methods in teaching.

Variable

EEC 317 (1-4) Field Study: Math Grades 1-6

This course is designed to provide students with the necessary math content for successful math instruction in the elementary classroom.

Variable

EEC 318 (1-4) Field Studies: Math Grades 7-8

This course is designed to provide math content to assist the middle school level math educator.

Variable

EEC 320 (2) Social Studies in Elementary School

Selection and organization of content, materials, activities, and procedures for
