POLICIES/INFORMATION

Admission to the Program. Prior to beginning the major or minor, students are expected to meet with the ADS Coordinator (389-5937). At this meeting, students will be asked to complete an application packet and set up a time for a formal screening.

GPA Policy. For required courses, undergraduate students are required to maintain a 2.5 GPA. Graduate students are required to have a 3.0 GPA. Alcohol and Drug Studies, Community Health and School Health will be required to achieve a "C" or better in all programmatic required courses.

P/N Grading Policy. All courses must be taken for grades with the exception of the internship, which can be taken on a P/N basis.

Prerequisites for Courses. Students will need to satisfy any prerequisites in conjunction with the suggested sequence of required courses.

Prerequisites for Internship. Students must be admitted to the Alcohol and Drug Studies major or minor and all coursework must be satisfactorily completed before registering for the internship experience. The internship requires the completion of 880 clock hours at an approved internship site.

Licensure and Certification. As the addictions field evolved, it has become increasingly important to pursue professional credentialing within the field. The Alcohol and Drug Studies Major and the Track One Minor provide students with the academic coursework necessary to pursue a number of credentialing options. Students are responsible for verifying their eligibility for credentialing with their respective credentialing boards and may obtain contact information for the appropriate credentialing boards from the Alcohol and Drug Studies Coordinator.
