DEVELOPMENTAL ADAPTED PHYSICAL EDUCATION, TEACHING MINOR

Applicant for Developmental Adapted Physical Education (DAPE) licensure must be a physical education teacher education major. Prospective teachers will be eligible for DAPE licensure in the State of Minnesota when all competencies are met. Students in related fields are urged to take offerings in the minor but only physical education majors with K-12 teacher certification will be able to be certified in DAPE.

Candidates must pass the Praxis II in Special Education: Core Knowledge to receive DAPE license.

Admission to Minor is granted by the department concurrent with or following admission to physical education major. Minimum department admissions requirements are:

- a minimum of 32 earned semester credit hours
- a minimum cumulative GPA of 2.5 or above

Required for Minor (Core, 19 credits):

HP 411	Developmental Adapted Physical Education (3)
HP 412	Assessment in Adapted Physical Education (2)
