Although English has become the leading commercial and diplomatic language of the twenty-first century, modern language study will be of increasing importance in the years ahead. As technology continues to conquer the obstacles of time and space, the outlook is for even greater travel, commerce, and cultural exchange between the Upper Midwest and the rest of the world.

Minnesota State Mankato does not offer a degree in Modern Languages per se. Students may, however, pursue BA or BS degrees in French, German, Spanish, or Scandinavian Studies or BS degrees in French, German, or Spanish Education; or a minor in teaching English as a Second Language. Russian, Latin, and Japanese courses are also offered at Gustavus Adolphus but are not part of any specific academic program. Please see individual sections of this bulletin for program details and course offerings in specific languages or contact the Office of the Registrar for information.
