

FINANCE AND HOUSING

EXPENSES

The rates for tuition and student fees, and for living expenses in University housing are determined by the Minnesota Legislature and the Minnesota State Colleges and Universities (MnSCU) Board of Trustees and are subject to change without notice.

Tuition: Resident/Non-Resident. Students who are not permanent residents of the state of Minnesota are charged a higher rate of tuition than are residents of the state. The MnSCU Board of Trustees establishes the criteria by which student residency, for tuition purposes, is determined. Generally, a student's permanent residence is that location at which a student has graduated from high school, and where parents or legal guardians permanently reside. A classification of non-resident can be changed to resident at any time residency requirements are met. Students desiring to change their residency may obtain information concerning the specific requirements from the Office of the Registrar.

Tuition: Reciprocity with Other States. Students who are residents of North Dakota, South Dakota, Wisconsin and Manitoba can attend Minnesota State Mankato without paying non-resident tuition. Students from Indiana, Kansas, Michigan, Missouri and Nebraska can attend Minnesota State Mankato at a rate less than the non-resident tuition rate. Students desiring the reciprocal rate must complete a reciprocity application form at www.getreadyforcollege.org, or pick up the form that is available in the Office of the Registrar, and send the form to the Higher Education Board of their home state. Students may also obtain a form from a nearby postsecondary school.

The above fees are charged through the first 12 credit hours. A Minnesota State Mankato Student Association fee of \$.43 is charged for each registered credit. Fees are determined at the close of each academic year. Information about student fees for 2011-2012 can be obtained by calling the Office of Student Affairs, 507-389-2121 or (MRS/TTY 800-627-3529 or 711.)

Other Course Related Costs. In addition to tuition and fees, there may be additional course-related costs associated with enrollment in certain classes. Special costs include, but are not limited to, those for supplies and materials, facility use, liability insurance, or conference attendance costs.

Senior Citizens Fees. Minnesota senior citizens aged 66 and over may enroll for any course free of charge if they do not desire degree credit. An administrative fee of \$20 per credit hour will be assessed if degree credit is desired. Payment of Tuition and Fees. Tuition and fees are payable on a per-term basis. Published due dates fall approximately two weeks prior to the first day of classes, and/or the fifth class day of the term and/or immediately, depending on course registration dates. Payment requirements may be satisfied with financial aid, personal payments, or documented third-party authorizations, waivers, or deferments. Registrations are subject to cancellation if payment requirements are not met by published due dates. Students must not rely on the university to cancel their registrations for non-payment; changes in attendance plans should be initiated by the student and properly communicated to the university. Students must officially withdraw from the University if they do not wish to be enrolled. Consult the Campus Hub web page for specific deadline dates and instructions for each term at www.mnsu.edu/campushub.

Refund of Tuition and Fees. Refunds and/or credits are based on the guidelines set forth by the MnSCU Board of Trustees.

Refund Policy: Dropped Classes. Students registered for on-campus daytime classes will receive a full refund/credit providing the class is dropped through the fifth class day of the term or by one class after the first class session, whichever is later.

Short courses of two days or less must be dropped prior to the first class session for refund/credit.

Refund Policy: Withdrawal from the University. The term "Official Withdrawal" is defined as terminating enrollment in all registered courses for the academic term. Contact the Campus Hub either in person (117 Centennial Student Union) or by phone (507-389-1866) to officially withdraw. (See Withdrawal from the University in the Academic Policies section of this bulletin).

Note: Off-campus students who are withdrawing from all course work must provide written notification to Extended Learning, Minnesota State Mankato, 116 Foundation Center, Mankato, MN 56001 or by e-mail to ext@mnsu.edu.

Students who have officially withdrawn from the University will receive a refund/credit based on the schedule listed on the Campus Hub website, www.mnsu.edu/campushub.

Return of Federal and State Financial Aid Due to Withdrawal. When a Federal and/or State financial aid recipient withdraws completely from the University, a portion of the Federal and/or State financial aid must be returned. The amount of aid returned is directly proportional to the length of time enrolled. After 60 % of the semester is completed, all financial aid is earned. A billing will be sent indicating the amount of the repayment upon completion of the withdrawal process.

FINANCIAL AID

Financial aid can be awarded in the form of scholarships, grants, loans, and/or part-time employment. Detailed information and instructions on all financial aid programs may be obtained in person at the Campus Hub, 117 Centennial Student Union, by phone 507-389-1866 (V), 800-627-3529 or 711 (MRS/TTY), by e-mail at campushub.mnsu.edu or by browsing online at www.mnsu.edu/campushub.

How to Apply. Students must be accepted for admission and complete a Free Application for Federal Student Aid (FAFSA), available online at www.fafsa.ed.gov. To receive priority consideration for all funds the FAFSA must be received by the Federal Processor on or before **March 15**. To facilitate receipt of financial aid funds in time for payment at the first fall semester disbursement date the FAFSA must be received by the Federal Processor on or before **July 1**. Applications received after July 1 will be processed as time permits.

Accurate completion of the FAFSA requires the prior year's federal income tax information; therefore, early completion of tax forms, followed by prompt completion of the FAFSA, is recommended. Use of estimated tax data is acceptable for the initial FAFSA submission if necessary to meet priority consideration deadlines; subsequent corrections to the income data is expected upon completion of federal income tax filing.

Students receive e-mailed award notices outlining eligibility and awarded funds upon the processing of their FAFSA data and to request any required follow-up documentation. Students financial award information is also accessible by logging in with Student Tech ID and PIN to the university's secure e-services website at www.mnsu.edu/eservices.

Non-Need Based Programs. There are a number of student loan programs available to those who do not demonstrate a financial need. To be eligible for such funding, a valid FAFSA record must be on file with the university.

The Office of Admissions coordinates a variety of academic scholarships and talent grant programs for new entering first year students and transfer students. For information, contact the Office of Admissions, 507-389-1822.

A number of scholarships are awarded to students regardless of their major for participation in athletics and music programs. Students interested in athletic financial aid should contact the coach of their sport. Those interested in scholarships for music activities should contact the Department of Music, 202 Performing Arts Center, 507-389-2118.

Many scholarships are available to students majoring in a specific discipline once they have been formally admitted to a College or program. Students interested in College and departmental scholarships should contact the chairperson or scholarship coordinator of their academic department.

Part-Time Employment. In addition to the Federal and State Work-Study Programs administered through financial aid, the University offers other on-campus employment opportunities in the form of Student Help positions. Students who are currently enrolled for six or more credits are eligible to apply for these positions, with no requirements to demonstrate financial need. Because placement in Student Help positions is not guaranteed, students interested in these jobs will go through selection methods similar to those involved in any job application process. The Career Development Center provides information on many on-campus and off-campus job openings through an online service called Mavjobs.com.

Other Financial Aid. Other forms of financial aid are available to students who qualify for specific programs, such as Rehabilitation Services and Veterans' Benefits. Further information on these programs is available online at www.mnsu.edu/campusub or with the appropriate government office.

Satisfactory Academic Progress Standards. To be eligible for financial assistance, students must meet these federal and state mandated criteria: The minimum cumulative grade point average required is 2.0 (3.0 for graduate students). Students must maintain a 67% cumulative course completion rate (completion rate is defined as the number of credits earned compared to the number of credits attempted). The maximum time frame a student has to complete his/her degree cannot exceed 150% of the published program length. Additional information is provided on the Campus Hub website at <http://www.mnsu.edu/campusub/other/saps/index.html>.

Website: www.mnsu.edu/reslife

The Department of Residential Life oversees all on-campus residence hall housing and dining activities. Contact this office for further information concerning on-campus housing and dining or to acquire contract forms.

Students can select their own living situations from a variety of options. While there is no on-campus live-in requirement, first-year and transfer students are highly encouraged to live on campus to help with their adjustment to Minnesota State Mankato. New students will find living in residence halls a great opportunity: GPAs are higher and students who live on-campus are more likely to graduate. About 3,000 students are able to take advantage of on-campus living. It gives them an opportunity to meet other new students and get involved in social and academic support activities; they don't have to worry about cleaning, making meals, electricity, cable or heat bills and can concentrate on school; and best of all, they live right on the campus.

UNIVERSITY RESIDENCE COMMUNITIES

Students desiring the convenience of living on campus may live in either Crawford, McElroy, Gage and Julia A. Sears communities or Maverick Hall, a housing option designed especially for first year students, which is housed in Gage.

Residence Hall Living. The residence life program at Minnesota State Mankato is designed to provide a variety of opportunities and experiences that enhance and support students' academic experiences. There are a number of living-area choices available, including floor environments focusing on quiet-study, upper-class students, intercultural students, engineering, and substance-free areas. All Minnesota State Mankato residence halls are smoke free. Residence hall staff are carefully selected and extensively trained to meet the needs of residents, and a large number of educational and personal development activities are planned by the staff and student governments throughout the year. There are also many social and recreational programs offered.

Furnishings and Services. Rooms are equipped with single lofted beds, mattresses, blinds, drawers, closets, desks, cable service and internet service. Most rooms also have a sink. Bedding and telephones are not provided. Most students live in double rooms with only one roommate, although some triple rooms, single rooms, suites and semi-suites are available.

Resident Meal Plans. Many dining options are available to students. Each plan has two components; a meal plan and a flex dollar plan. Meal plans determine the number of meals available for either the week or the semester. A flex plan is like a prepaid debit account that can be used at any of the campus dining facilities. Meal plans available include the Maverick Anytime, Maverick 14, and Maverick 160, plans. Each plan contains flex dollars which allows you to purchase anything you like at any time at any campus dining outlet.

Costs. Residence hall costs vary according to the type of room, meal plan and length of semester.

As a guide, the cost of a basic double room with the Maverick 14 meal plan and \$150 flex dollars per semester for 2011-2012 is anticipated to be \$6,320.00.

Please contact the Department of Residential Life for more information on the cost of available room and meal options.

All rates are set each spring for the following academic year. The rates are subject to change by the MnSCU board or the state legislature at any time.

Residence Hall Reservations. Admission to the University does not include reservation in a residence hall nor does a receipt for room deposit indicate admission to the University. Reservations are made in the order in which they are received.

Application Procedure. Students who have applied for admission to Minnesota State Mankato will receive a housing application form from the Office of Admissions along with the letter of official acceptance to the University. To reserve housing on campus students should complete the housing application and return it along with a \$250 prepayment to the Department of Residential Life. Admitted students may also apply on-line.

NOTE: Students with disabilities who have specific housing needs should identify their particular need on the application agreement.

Currently enrolled or previously enrolled students should contact the Department of Residential Life for housing application materials.

Policies and Regulations. All applicable policies and regulations are published in the Residence Hall Student Guide. A copy is given to each student who moves into the residence halls.

Semester Break/Summer Occupancy. Students who need to stay on campus during academic year vacations may stay in their own rooms during the breaks. Students should be aware, however, that they are responsible for their own meals during these times. Additional charges apply to remain on campus for winter break and summer session.

A residence hall on campus is always open for students attending summer school. Specific information about summer housing is available beginning in the spring of each year. Current resident students may have to move to another location for summer housing.

Residence Hall Fee Payment. Residence hall payments are due upon receipt of the billing invoice. Payments can be made on an installment basis and/or by credit card. A hold is placed on the academic records of any student with past-due obligations to the University.

Off Campus Housing. For the Minnesota State Mankato students who do not live in the residence halls there are numerous off-campus housing available in the Mankato area, much of it very near to campus.

Student Leadership Development & Service-Learning (SLDSL), 173 Centennial Student Union, 507-389-6076 or www.csu.mnsu.edu/comcon/off-campus.html, can provide a listing of nearby apartment complexes, representing more than 1,500 living units, with information on amount of rent, deposit and length of lease. There is also a database of other rental options in the surrounding area, including houses, rooms, and more apartments for rent accessed by calling or visiting SLDSL in person. Monthly rental fees generally run \$375-525 for a one-bedroom unit, \$460-680 for a two-bedroom unit, and \$590-1300 for a three- to five-bedroom unit. SLDSL also maintains a file of students seeking roommates. In addition to providing information on housing vacancies, staff can answer a variety of questions on off-campus living, or refer students to other sources on campus and in the community.
