Open Studies Program

226 Armstrong Hall • 507-389-1712

Director: Connie Miller

The Open Studies baccalaureate science major is designed to give highly motivated, self-directed students an opportunity to create their own programs and earn an undergraduate degree. It is a liberal education program designed for students who wish to major in an interdisciplinary area with a coherency of design.

Admission to Major. Admission will be granted to students who meet eligibility requirements and who complete a formal application to the Open Studies program. Eligibility requirements are as follows:

- Student must have a current, cumulative GPA of 2.0 or higher, according to Minnesota State Mankato records.
 - Student should apply after earning a minimum of 32 semester credits and before completing 80 semester credits, according to Minnesota State Mankato records. Students having more than 80 credits may still be considered for the Open Studies program if they are willing to meet all other requirements of the program.
 - Student must submit a formal application on a form provided by the Open Studies director.

POLICIES/INFORMATION

Areas of Concentration. Students seeking the Open Studies degree will select three academic areas in which to concentrate their work and will arrange for a faculty advisor to oversee their work.

Continuation in Program. The following rules explain the requirements for a student to continue in the Open Studies program and to receive a university degree. The Open Studies major must:

- Maintain a minimum cumulative GPA of 2.5 in courses in the three areas.
- Apply grades of “A”, “B” and “C” to the three areas unless specific courses are offered only on a P/NC basis.
- Complete the university’s general-education program.
- Complete at least 40 upper-division credits in the areas of concentration.
- Complete a minimum of 15 semester credits of study in each of the three selected academic areas of concentration.
- Complete a capstone project synthesizing the areas of concentration. The completed project must be acceptable to members of the student’s committee.
