The Interdisciplinary Studies baccalaureate major is designed to give highly-motivated, self-directed students an opportunity to work with faculty to create their own program and earn an undergraduate degree. It is a liberal-education program designed for students who wish to major in an interdisciplinary area with coherency of design.

**Admission to Major.** Admission will be granted to students who meet eligibility requirements and who complete a formal application to the Open Studies program. Eligibility requirements are as follows:

- Student must have a current, cumulative GPA of 2.0 or higher, according to Minnesota State Mankato records.
- Student should apply after earning a minimum of 32 semester credits and before completing 80 semester credits, according to Minnesota State Mankato records. Students having more than 80 credits may still be considered for the Open Studies program if they are willing to meet all other requirements of the program.
- Student must submit a formal application on a form provided by the Open Studies director.
