

**Iron Range Engineering** (see Integrated Engineering)

Department of Integrated Engineering

College of Science, Engineering & Technology

141 Trafton Science Center N \* 507-389-2744

Websites: [cset.mnsu.edu/ie](http://cset.mnsu.edu/ie) and [www.ire.mnscu.edu](http://www.ire.mnscu.edu)

Chair: Rebecca Bates

Faculty: Rebecca Bates, Leslie Flemming, Mohammad Habibi

Affiliated Iron Range Faculty: Ronald Ulseth (Co-Director), Elizabeth McBride, Andy Lillesve

---

Location: Mesabi Range Community & Technology College, 1001 West Chestnut Street, Virginia, MN

This program provides upper division engineering coursework. Lower-division coursework is typically completed at a community college. Itasca Community College in Grand Rapids, MN is the primary partner for this program. Admission requires an application to Minnesota State Mankato and the Iron Range Engineering program. For more information, please see the description at the Integrated Engineering major.
