POLICIES/INFORMATION

A minor in business law provides students with practical knowledge of the complex legal issues that govern the business environment. The minor teaches students the knowledge and skills necessary to identify and manage legal and ethical issues in a wide array of settings including contracts, management, employment and human resources, construction, banking, international business, and intellectual property. It is also excellent preparation for students who plan to attend law school.

Students who are business minors, non-business majors or those who are not seeking a four year degree may take up to 24 credits in the College of Business.

GPA Policy. Students must earn a minimum grade point average of 2.0 ("C") on the total courses taken in the College of Business to meet graduation requirements.

Residency. Transfer students pursuing a minor in the College of Business must complete at least 50% (one-half) of their minor coursework at Minnesota State Mankato.

Assessment Policy. The College of Business believes that the ongoing assessment of its programs makes a vital contribution to the quality of those programs and to student learning. Student participation is an important and expected part of the assessment process.

COURSE DESCRIPTIONS

BUS 100 (3) Introduction to Business and Business Careers

This course prepares students for success by exposing them to the requirements, expectation, resources and opportunities of the College of Business. Students will have business experiences and will develop professional skills.
Variable

BUS 295 (2) Professional Preparation for Business Careers

This course is required for admission to the College of Business for all business majors. The purpose of the course is to provide students with an overview of the College of Business majors, allow students to create an academic plan for graduation, and develop professional skills needed for future job placement. Topics include cover letter and resume writing, interviewing skills, the process of networking, the internship program, etiquette skills, and requirements for graduation.
Fall, Spring

BUS 397 (3) IBE Practicum

BUS 397 is an applied course that entails developing, launching, managing, and closing a business with the cohort of students enrolled in the class. Students write and present a business plan as they seek financing for their start-up company. The business start-up experience creates a real-world context in which students can practice the concepts introduced in MGMT 230, MRKT 210, and FINA 362. BUS 397 is part of the United Prairie Bank Integrated Business Experience, and students must enroll concurrently in BUS 397 and sections of FINA 362, MGMT 230, and MRKT 210 that are designated for IBE students.

Prerequisite: Must be admitted to a major.
